## ICE CREAM

Wow! Ice cream-mania has started early this year! So many of you are Scooping & Saving up to £3 back per tub already, we're already increasing our stocks for the season ahead! Not sure what all the fuss is about? Take a look online at our new ice cream brochure to find out more details.

## PRICING

Price inflation continues to be a major challenge to us all, but it's vital that you're passing the increases on to your customer. Key ingredients within your dishes are possibly the most obvious, however it's equally important to factor in the inflation affects seen across edible oils, packaging and the like.

Login online for the latest prices and product availability, making sure you remember to refresh the app daily to get up to date information.

## DELIVERIES

You are certainly keeping us busy with a great start to the season! Offering our 'order online up to 10pm' and up to 7 days a week delivery, we continue to support your business with our great package of benefits. Both these services continue through the Bank Holiday weekend and over the Jubilee Celebrations next month.

Here's to another successful month for us all.

The banner features a dark blue background. On the left, a large clock face is depicted with the text 'ORDER UP TO 10PM ONLINE' curved around its perimeter. The clock hands point to approximately 10:10. To the right of the clock, the text 'PLUS UP TO 5% BACK ON ALL YOUR PURCHASES' is displayed in bold yellow and pink letters. Below this, a blue outline of a delivery van is shown, with the text 'DELIVERY UP TO 7 DAYS' inside its cargo area. A small 'KICKBACK 21/02' logo is visible near the top right of the van.
